Trung Thu Elementary and High School's Reunion
In Gratitude to Our Wonderful Teachers

Trung Thu Elementary and High School was first established in 1957! The years have passed quickly, so let's come together to reminisce on our fondest memories of school, share our experiences of the intervening years, celebrate our achievements and successes, and wish each the best in health and wealth for the years to come.

We are also delighted to welcome the children of the Trung Thu family to our 2019 school reunion.

Below is the event information:
